# HISTORY

In ancient Greece mythology Jason assembled a great group of heroes, known as the Argonauts after the ship *ARGO*. Their quest was to retrieve the Golden Fleece. However difficult and daunting the task was, Jason was able to deliver to the king on-board the swift *ARGO*. **ArgoMEX Global** value our clientele and their *MERX*, Greek word for Goods.

We at ARGOMEX GLOBAL regard our customers request on goods to be our golden fleece. We strive to achieve what is best for our customers in the business of procurement and logistics to deliver goods swiftly no matter what it takes guaranteed.

# ABOUT US

**ArgoMEX Global** is your one-stop procurement consultants in all industrial supplies with an extensive offering of OEM products. We are a company of procurement specialists. Core services provided include, but not limited to the Oil and Gas, Floating Production, Storage and Offloading (FPSO) vessels, Engineering, Mining technology, HVAC, Refrigeration and Air-condition (AOA) and Construction industries. Our objective is to offer our clients competitive rates, help customers lower supply chain costs, initiate prompt delivery leading to increase efficiency.

**ArgoMEX Global** manages your procurement process from start to finish. Initially, we assist you in your decision of what you need to purchase. We assess and select the most appropriate method of procurement, negotiating volume discount from our pool of suppliers overseas, obtaining specifications and quotes. After evaluating supplier responses we award the contract and manage the delivery process. We keep you informed during the process with regular reports.

**ArgoMEX Global** has the tenure, resources and proven track record of providing competitive rates, working with the best couriers to deliver products in a fast and efficient manner to our clients. We succeed because of the tremendous value we place on customer satisfaction. Our laser focus on identifying the best products and our access to vast reservoirs of supplier partners across industries makes us a strategic and one stop procurement consultant.
